REQUEST FOR CORRECTION OF FILING RECEIPT

Sir:

Applicant respectfully requests the correction of an error in the Official Filing Receipt for the above-identified patent application. Please send a corrected filing receipt with the following change:

The Official Filing Receipt currently shows that a prior foreign application was filed in Japan. There was no prior foreign application filed in Japan. The Official Filing Receipt properly shows that the application claims priority to two U.S. patents. Support for this claim is reflected in the Declaration, Utility Patent Application Transmittal and the Cross-Reference to a Related Application section of the application. There are no claims to a Japanese patent application. Applicant requests that the reference to the Japanese application be removed from the Official Filing Receipt. A copy of the erroneous Official Filing Receipt is enclosed. Correction of the above is respectfully requested.

Respectfully submitted,

Jean Kyle
